

10 week class in Caldwell

January 7- March 11

Monday  
from 6:00 - 9:00 pm

## Learn answers to the following questions:

- What are my resources & how do I use them?
- How do I know when it's time to irrigate?
- How do I calculate how many animals can graze in my pasture?
- What are these weeds & how do I control them?
- What kind of soil do I have & why does it matter?
- Can I make money from my small acreage?
- Is my well water safe to drink?

*Living on the Land is an excellent place to build community with  
other small acreage owners!*
